Iolanis Beat Puns Two To One In Clever Socker Go

A rare afternoon's sport full of exhilarating football was enjoyed at the baseball park Saturday, the Iolanis and Punahou contending.

The game, though it did not contain any very brilliant touches, was brimful of clever and interesting play with not a dull incident to record. In the opening stages the Iolanis were early invading their rivals' quarters and testing the saving powers of the Punahou custodian. From an opportune pass by Fernandez, Woo nearly converted, his shot skimming the bar.

Inaugurating a spell of pressure on the Buffs citadel, the Iolanis for some time kept the Punahous confined to their own territory. Soper, however, relieved the pressure for his side and the venue of play was transferred to midfield. Waterhouse securing possession, essayed a solo run, but his passing shot went on the wrong side of the uprights. A fine swinging shot by R. Catton was the commencement of a fusillade on the Iolanis goal but erratic shooting was responsible for the Buffs' inability to score.

Iolanis at this time offered stronger opposition than had been anticipated and were as often on the aggressive as on the defensive, but spoiling many of their opportunities by over anxiety at the goal mouth. A couple of corners for the Punahous looked healthy but they were successfully negotiated by the Blue and White backs and play was transferred to the other end where Kea, Woo and Campbell tried in vain to find the net.

Good work by the Punahou halves enabled their forwards to get away and Kellett was called upon to save his charge. From a fine piece of maneuvering Cockburn tested him with a beauty and Kellett only partially clearing, Catton rushed in and opened the score for the Punahous. This reverse thoroughly roused the Iolanis and a determined attack was made on the Punahou's defense. The Iolanis showed superior combination at this time, but over eagerness to get the equalizer produced occasional demoralization among their forwards.

Woo with an open goal sent the ball over the bar and Kea, beating Blackman, just grazed the wrong side of the post. The interval arrived with Iolanis attacking in force and keeping the Buffs' defense fully stretched.

On the resumption of hostilities the Iolanis again became the aggressors but the Buffs gradually shook them off and forced a corner on the left. This concession did not avail them anything for immediately the Iolanis were hovering in the vicinity of the Punahou custodian. Woo outwitting Soper got through and with a dandy drive close in brought Catton out to save and the latter's ineffective clearance resulted in Woo fully culminating his previous effort by putting the sphere in the net, thus equalizing matters. Taking up the running the Iolanis were for a time all over their rivals, the forwards being as lively as crickets and combining well, Punahou showing up ragged in the extreme and it was only as expected that Campbell notched number two with a low unavailing shot from far out.

Nettled by this unexpected reverse the Punahous started in operations towards the Iolanis lines but they were none too deadly at goal and showed lamentable weakness in picking up the opportunities which came their way. Clever tackling and cranial work by the Andersons and Gleason averted danger repeatedly from the spirited attacks of the Punahous at this time and although the Buffs redoubled their energies during the remaining ten minutes they failed to hold down their opponents and a good hard game resulted in favor of the Iolanis by 2 to 1.

On the play the Iolanis fully deserved their win and that by a bigger margin of points than came their way. A little more accuracy on the part of the Blue and White attack and Punahou would have been further behind. Following was the line-up:
Punahou—Goal, A. A. Catton; backs, et.

G. Judd, W. H. Soper; halves, L. Blackman, J. Clark, R. McCarrison; forwards, G. Waterhouse, L. Melville, R. Catton, J. H. Catton.
Iolanis—Goal, Kellett; backs, E. Desha, J. Kellett; halves, P. Gleason, J. Anderson, G. Anderson; forwards, E. Fernandez, Woo, Campbell, George Desha, Kahaku.

Symphony Smoker Splendid Success

An excellent smoking concert was given by the Honolulu Symphony Society at its quarters at Haaleleia Lawn last Saturday evening. The affair was a model one of its kind. The Society by means of its excellent orchestra is in a better position to give enjoyable smokers, at which the intellectual needs as well as the wants of the inner man, are all ministered to by artists in both lines. It was noticed that among those who attended all the smokers given by the Society with unfailing regularity. A number of people who attended last Saturday evening's event expressed a wish that the Society would give a smoker once a month, a thing which it certainly should be able to do with ease.

The orchestra, under the able direction of Carl Busch, came up to its reputation as a well-trained and clever organization of talented amateurs and the orchestral numbers were received with an applause thus fully deserved. Among the soloists were Jas. Dougherty, Hugo Herzer, Clifford Kimball and P. Melchers, whose vocal selections were all excellent, while Ernest Kaul's brilliant display of technical ability on the guitar brought him the applause of which he is always certain.

TUMORS CONQUERED SERIOUS OPERATIONS AVOIDED

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in the Case of Mrs. Fannie D. Fox.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

The growth of a tumor is so slowly that frequently its presence is not suspected until it is far advanced.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by profuse menstruation, accompanied by unusual pain, from the ovaries down the groin and thighs. If you have mysterious pains, if there are indications of inflammation or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation; secure Lydia E. Pinkham's Vegetable Compound right away and begin its use.

Mrs. Pinkham, of Lynn, Mass., will give you her advice free of all charge if you will write her about yourself. Your letter will be seen by women only.

Dear Mrs. Pinkham:—
I take the liberty to congratulate you on the success I have had with your wonderful medicine. Eighteen months ago my monthly menstruation stopped. Shortly after I felt so badly that I submitted to a thorough examination by a physician and was told that I had a tumor on the uterus and would have to undergo an operation.

Soon after I read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After trying five bottles as directed the tumor is entirely gone. I have been examined by a physician and he says I have no signs of a tumor now. It has also brought my monthly menstruation once more, and I am entirely well.—Fannie D. Fox, 7 Chestnut Street, Bradford, Pa.
